Welcome to Shinecare Services

SHINE CARE SERVICES made their presence in the YEAR 2016.

From the beginning we have grown into a much-appreciated professional set-up, offering services like housekeeping, skilled & un-skilled labour deployment and providing all types of manpower services

"SCS" is a one-stop shop providing reliable & quality manpower services for any type of organization.

Our management is a right mix of experienced and highly knowledgeable professionals and the same has helped Shine Care Services to bring forth a wealth of fresh ideas, processes and experiences.

We provide a comprehensive range of facilities management services to ensure that the physical assets, buildings and equipment that form part of the premises properties are optimally used and maintained. We also act to protect the safety and well being of visitors and staff at the Site.

Why Us

- Trained staff for multiple management and official solutions
- Expertise in delivering a wide range of facility management services
- Cost-effective services
- Innovative & flexible approach

COST EFFECTIVE

We achieve this by

- Downloading our quality policies and working techniques to every team member to ensure, they perform their work to the highest possible standard.
- Implementing employee training procedures to ensure highest standards of work place practice.
- Offer our customers high quality service, to minimize operations cost.
- COMPLIANCE to all statutory and regulatory requirements.
- Update to our esteemed clients about product and services to ensure smooth functioning as per market standards.
- We schedule a timely maintenance services in the premises which includes, management of our staff, work scheduling, inspection, evaluation and reporting.
- We provide competitive price for the services with quality results for healthy client relationship.

Our Aim

"Our aim is not only to meet clients' needs, but also to exceed their expectations and to satisfy them with our efficient services. Our intend to help our clients in every possible way and contribute to their success."

TIME MANAGEMENT

Site Management

Effective Leadership

We provide you with experienced leaders in order to ensure that our time-tested systems are implemented effectively and you receive the results and customer service that you deserve.

Administrative Systems

Our philosophy is that our managers should spend the majority of their time out on the floors leading and training the staff. We enable our managers to maximize their time by providing fully automated systems for documentation.

Performance Improvement

Our philosophy is that our managers should spend the majority of their time out on the floors leading and training the staff. We enable our managers to maximize their time by providing fully automated systems for documentation.

Executive Support

SCS also provides a Site Coordinator to support each of our facilities. They frequently tours each facility within the region. These visits serve as continuing education quality control. The entire program is evaluated from cleaning quality to compliance.
