

VINAYAKA
INFRA

Our core expertise lies in the field of fabrication, erection, testing & commissioning of boiler, turbine & generator. We undertake engineering, procurements & construction (EPC) work, mainly in power sector, however we also have great workmen force Who are expert in all types of civil works.

COMPANY BACKGROUND

We work with passion to achieve perfection and deliver quality work before time. This company started as proprietorship firm way back in 1984 under leadership of **Mr. H.S.Tripathi** who has got vast experience & expertise in structural work in power sector. Gradually it has grown from a small firm to its present size and made its imprint as expert in heavy steel work.

This company has vision to achieve expertise in other alternate source of power generating system such as hydro electric power projects and solar power projects. This company has got renowned & dynamic engineers, contractor, fabricators, erectors, and other skilled persons.

FEW OF THE MAJOR WORKS WHICH
HAS BEEN SUCCESS FULLY
COMPLETED ARE AS FALLOWS:-

Type & work

Fabrication & Erection
of steel structure

Purchase order

HEC/DGM/BINA LHP 9988

Quantity MT

2500

Year

1996

Project / company

BINA CHP Sonebhadra U.P.
Heavey engineering corporation LTD. (HEC).

Type & work

Fabrication & Erection
of steel works.

Quantity MT

4000

Project / company

1 X 500 MW TPS Bellary Karnataka. Power Mech.

Purchase order

067/05-06

Year

2005

Type & work

Fabrication of column &
plate section

Quantity MT

3500

Project / company

Unit 2/ 2 X 500 MW DVC Mejia B. (WB). Power Mech

Purchase order

349 A/ 08-09

Year

2007

Type & work

Fabrication & erection of
pipe rack steel.

Quantity MT

2000MT

Project / company

2 X 500 MW stage II Rh STPP/NTPC/ Rihand nagar
R.S. Avtar singh & company

Purchase order

-

Year

2008

BUILDINGWAY
TO FUTURE Growth

Type & work

Fabrication Of Bunker.

Quantity MT

2000

Project / company

2 X 300 MW Rosa Thermal plant stage II Shahjahanpur U.P. (P & R. Group).

Purchase order

PRIL/SC/2010/ROSA /0027

Year

2010

BUILDINGWAY TO FUTURE Growth

Type & work

Fabrication and erection of platform
& structural flue liners for chimney.

Quantity MT

1968

Project / company

6 X 660 MW SASAN Ultra mega power project M.P. Gammon India.

Purchase order

PRIL/SC/2010/ROSA /0027

Year

2010

BUILDINGWAY
TO FUTURE Growth

Type & work

Fabrication Of Column / plate
section & beam with cover plate
& rolled section

Quantity MT

-

Project / company

500 MW TPS unit at Bokaro, TPS, west Bengal. Power Mech.

Purchase order

1021/10-11

Year

2010

Type & work

Pre assembly of fabrication structural steel & placement & erection completion of alignment, welding including bolting of TG Unit 2, 3, mill & bunker.

Quantity MT

3367

Project / company

6 X 660 MW SASAN ultra Mega Power Project, M.P. (Power Mech. Projects LTD).

Purchase order

SO/1267B/11-12

Year

2011

Type & work

Assembly, erection and fabrication
of slip form

Quantity MT

43000

Project / company

2 x 600 MW moaser baer thermal power project anuppur Lanco Power

Purchase order

4400023254

Year

2011

Type & work

Fabrication & erection of steel structures.

Quantity MT

1 - 5020

Project / company

Stape III 2 X 500 MW. NTPC/VSTPS, vindhyanager Singrauli MP.

Indure Private Limited

Purchase order

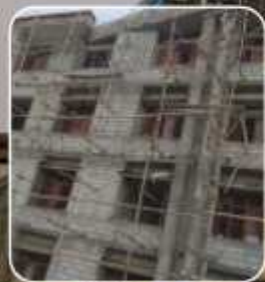

-

Year

2014

On Going Projects:

- (1) Bridge construction work at sidhi riva four lane project form technounique pvt. Ltd.**
- (2) Fabrication and assembly of e-rickshaw at shri namo electric automotive c-6 Sector Delhi (Planned to shift the site at Raipur).**
- (3) Fabrication and erection steel works at Manesar Haryana from SMCC Construction limited.**
- (4) Construction of 100 bed hospital in Raipur**
