

RAM

VENTURES

Proficient in Liaison, follow ups and Administration

ABOUT **RM VENTURES**

RM Ventures is a team of committed and qualified professionals engaged in Liaison Services for various types of approvals. We work with, small and medium size Government, Corporate, Private Organizations, MNC Organizations as well as individuals. We play a proactive role in building the business. We help organizations to seek any kind of approvals from village Panchayat to Ministry Level. We have expertise to work as a link between two enterprises to communicate and coordinate their activities.

FOUNDER

This would not have been possible without a visionary & an optimistic leader. RM Ventures was conceived as an idea by Mr. Rahul Mirge. He has a vast experience of over 20 years in successfully delivering liaison services to various business sectors. He specializes in positive and timely communication and coordination with government agencies, which is significant for any business.

The Founder of RM Ventures has skill of liaising with governmental organizations including Ministers. He has acquired permissions to set up various largescale projects in forest, revenue & private lands. He has worked not only for land projects, but also for solar & wind projects including site selection, communication, Planning, Approvals & Implementation.

OUR **MISSION**

RM Ventures is geared up to offer the best quality Govt. Liaising & Facilitation Service to our valuable clients. Our mission is to provide the communication link to people in pursuing their rights, specific objectives with decision makers in Government, the executive Branch and other Private Organizations.
