VRHR - About Us

VRHR is a Recruitment and staffing company which is committed to serve the National & international market in providing recruitment and staffing solutions to clients across verticals (which includes IT, KPO, Accountancy among others) with a difference.

We aim to undertake projects and provide sustainable customized solutions to clients based on their needs.

Our vision remains to enter in to the ivy league of Human resource Solutions Companies with a dedicated team supported with excellent infrastructure and right technologies which in turn will provide cutting edge solutions to our clients with a difference.

Our mission will be to provide quality resources at all levels PAN India by using latest technologies and methodologies.

To achieve this we believe in trainings, skill set developments, knowledge transfers and arrangement of on job trainings for our potential resources in close coordination with our clients.

Vision

Our vision remains to enter in to the ivy league of Human resource Solutions Companies with a dedicated team supported with excellent infrastructure which in turn will provide cutting edges solutions to our clients with a difference.

Mission

Our mission will be to provide quality resources at all levels locally and PAN India by using latest technologies and methodologies. Using unique sourcing techniques we intend to provide clients with resources who are rarely available in commercial databases.
