

BRANDING SOLUTIONS PROVIDER TO RETAILERS NATION WIDE

# ABOUT US

---

We take this opportunity to introduce ourselves as one of the printing service provider in Nashik since 2005.

The Smart Art (TSA) started off as a dynamic player in India's printing industry, driven constantly to integrate well on the value chain of the industry. Over the period, through recurring technology acquisitions, study for markets and efficiency at every level of the organization, The Smart Art (TSA) has undergone a remarkable transformation from just a print company, into a well-integrated and cost-effective solutions provider.

Is one of Nashik's finest printing and support service organizations today, replete with state-of-art production facilities that reflect the excellence on every front. Today The Smart Art (TSA) has upgraded technology, high-caliber human asset and passion for perfection as it continues to deliver high quality with speed, consistency and cost-effectiveness.

The Smart Art (TSA) has highly technical qualified specialists, with the best equipment and machinery from Japan, add the global appeal to printing. Its commitment to quality that drives TSA's journey of excellence.

The Smart Art (TSA) is located with an area of 6500 sq ft. It has become an ease for the customers, also there are no problems for raw material procurement and power supply. In case of power failure, we have a back-up to 15 KVA.

The Smart Art (TSA) is dedicated to produce high quality - Digital Flex banners, Hordings, Frontlite Board, Glow Sign Boards, Inkjet Print, Oneway Vision Print, Vinyl, ACP Cladding, Acrylic LED board and Wall Painting.

As a part of our drive to provide a more holistic range of services, a new division has been created at The Smart Art (TSA) for design. The Smart Art (TSA) has taken a step forward in integration on the printing value chain, which will help provide a more comprehensive range of services to more groups of customers.
